

BID SHEET - SUPPLY OF APPLIANCES ON AN AS REQUIRED BASIS

1. Please note that all quantities on this bid sheet are estimates only and the Board reserves the right to order more or less without affecting the price.
2. Please submit literature, e.g. pictures and specifications for the products you are bidding. In addition, submit consumer performance/product rating if applicable. This information will assist in the evaluation process. Failure to submit the required information may result in the rejection of your bid.
3. The specifications as listed have been provided to illustrate the characteristics and quality of the product required. Please bid the product as specified (where possible) and alternates in the column provided. Refer to alternate clause for details.
4. All goods are to be shipped F.O.B. destination, and offloaded by the vendor.
5. All taxes will be extra to prices shown.
